

## SENSORY MATERIALS

### Sensory stimulation set

Assortment of natural and handleable materials

#### DESCRIPTION

A collection of materials for sensory exploration workshops: different textures, scents, sounds and resistances gathered in a single box. The mix of natural materials and plant-based modelling doughs supports work on touch, fine grasp and descriptive vocabulary in young children.

#### CONTENTS

- 50 g of natural raffia.
- Veined leaves — average length 9 cm, average width 4.5 cm.
- Cork stoppers.
- 4 pots of plant-based sensory modelling dough.
- Woollen pom-poms.
- 4 loop scissors.
- 1 kg of wood.

#### SPECIFICATIONS

| Specification | Value                                              |
|---------------|----------------------------------------------------|
| Colours       | Assorted                                           |
| Target group  | Early years, supervised workshops                  |
| Use           | Tactile exploration, fine grasp, sensory awakening |

**Please note** — Contains small parts: to be used under adult supervision.

**Manufacturing and distribution** — IBSGROUPE Ltd, as a turnkey supplier, handles the distribution, logistics, commissioning and after-sales service of this product. Manufacturing is carried out by the partner manufacturer, whose part numbers and specifications are reproduced above. *Non-contractual document: specifications may be changed by the manufacturer without prior notice; where the text and the illustration differ, the text prevails.*
