

CELTA BED

CELTA BED is a manual wheelchair that allows the user to take the horizontal position in a comfortable way, combining the reclining of the back with the elevation of the footrests. Reclining of the back through spring lockers, actuate at the level of the wrists, from 90° to 150°. Reinforced structure with 25mm diameter tubes and triple crossbar to provide greater resistance. With support for trunk and

head. Headrest with side wedges, adjustable in height, for greater comfort and stability of the user. Armrests easily detachable. Footrests detachable and elevating with cushioned calf support. Spoked wheels with 600mm pneumatic or solid rear wheels and 200x30mm solid front wheels. Foldable for easy transport. Maximum user weight: 125Kg.
